Example

For households with children

Written Declaration of Expected Income
【For those whose household budget changed suddenly】

○Hand this in with "Special Welfare Payment for Low Income Families with Young Children (Excluding Single-Parent Families)."
○ You will be eligible for the payment if you meet both 【Requirement 1】 and 【Requirement 2】 written below.

① Check (☑) the following.

I'm suddenly struggling financially due to the increase in the cost of food, etc.

→ 【Requirement 1】 ① must be checked.

※Check that the salary of the applicant (The one whose income is higher between ③-1 and ③-2) decreased due to COVID-19.

②-1 Applicant Chose any single month after January 2023 and write the total income and the breakdowns of it.

Year	2023	Month	7	Matters that require attention	
Income	Salary 【A】		165,000	yen	※Write salary here (if you had one) ※Submit documents that show the income (such as your pay slip, <i>Kyuuyomeisai</i>).
	Business income and/or real estate income 【B】			yen	※Fill in here if you got business income or real estate income. ※Hand in documents that show your income (such as records of your income).
	Income from pension 【C】			yen	※Fill in here if you got public pension income (except for tax-free income). ※Hand in documents that show the amount of your pension.
Total (pre-tax) income 【A + B + C】			165,000	yen	※Fill in the total of the top three blue squares.

※Write all of your income if you have several jobs.

※There is no need to write incomes except for the ones above.

× 12

③-1 (A+B+C) × 12 (For applicant)

Applicant's estimated yearly income (pre-tax)	1,980,000	yen
---	-----------	-----

Year 2023 Month 7月

Year	2023	Month	7月	Matters that require attention	
Income	Salary 【A】			yen	※Fill in here if you got salary. ※Submit documents that show the income (such as your pay slip).
	Business income/real estate income 【B】		66,000	yen	※Fill in here if you got business income or real estate income. ※Hand in documents that show your income (such as records of your income).
	Income from pension 【C】			yen	※Fill in here if you got public pension income (except for tax-free income). ※Hand in documents that show the amount of your pension.
Total income 【A + B + C】			66,000	yen	※Fill in the total of the top three blue squares.

※Include all of your income if you have more than one job.

※There is no need to write incomes except for the ones above.

× 12

③-2 (A+B+C) × 12 (for spouse)

Spouse's estimated yearly income (pre-tax)	792,000	yen
--	---------	-----

④ Fill in the maximum income that will be tax-free, and check if ③-1 (applicant's expected yearly income) is higher than ③-2 (spouse's expected yearly income).

Maximum income to be considered tax exempt	2,327,000	yen
--	-----------	-----

※Confirm that ③-1 (applicant's expected yearly income) is higher than ③-2 (spouse's expected yearly income), and input maximum tax-exempt income for your household using the reference table.

※ If the applicant's household has 3 or fewer people and the applicant has a disability, is under 18, is widowed, or is a single parent, the maximum tax-exempt income increases to 2,043,000 yen.

※The reference table below includes the same types of income (salary, business, etc.) used in the estimated yearly income calculation.

<Reference Table>

★Number of people in the household	Maximum income to be exempt from tax
2 people ex. Husband (wife), 1 child	1,469,000 yen
3 people ex. Husband, wife, and 1 child	1,877,000 yen
4 people ex. Husband, wife, and 2 children <input checked="" type="checkbox"/>	2,327,000 yen
5 people ex. Husband, wife, and 3 children	2,777,000 yen
6 people ex. Husband, wife, and 4 children	3,227,000 yen

☆The number of people in the household is the total number of people listed below.

- Applicant
- Spouse who shares the same livelihood with the applicant. (The income year before must be less than 1,030,000 yen)
- Dependents (including under 16 years old)

→ 【Requirement 2】 The applicant's ③-1 (expected yearly income) must be under ④ (maximum income that will be exempt from taxes)

(Continued on next page)

✓ if your household budget was suddenly impacted by the increase in the cost of food, etc.

You cannot receive this support payment if this does not apply to you.

Fill in the income of one of the months after January 2023. (②-1: applicant ②-2: spouse)

In addition, hand in documents that show the income (such as your payslip, or records of your income).

There is no need to write income except your salary, business income, real estate income, and income from pension.

Do not include tax-free income and special income (such as a bonus).

(A+B+C) × 12

This is your estimated yearly income.

(③-1: applicant ③-2: spouse)

Make sure the applicant's income (③-1) (applicant) is higher than that of their spouse (③-2). (The applicant must be the one who earns the most money)

Use the chart and fill in the maximum income to qualify as exempt from resident tax based on the size of your household.

Read the checklist and ✓ all boxes.

Both the applicant and their spouse, etc. need to sign at the bottom.

【Checklist】

(Read the checklist and ✓ the , and have both applicant and spouse (etc.) sign)

- I meet the requirements I am submitting documents to prove my income (payslip, etc.)

(Please note) If your income is ¥0, you may be asked to submit a more detailed declaration of income.

- There is no guarantee that my income will exceed the maximum amount for tax exemption over the next year, even with periods of increased wages and/or special income.

- There are no mistakes in this declaration ○○ ○○
