3. Details • Examination fee • Things to bring, etc.

Examination Place	Medical Facility	Group Examinations
Details	Interview • Vision Test • Internal Examination • Cervical Pap Test	
Examination Fee	¥1,600	¥1,000
Eligibility	Women 20 years old and above (once every 2 years) ※Target age is as of March 31, 2025	
Required Items	<ul style="list-style-type: none"> • Examination Ticket • Examination Fee (Payment is required for those whose examination coupon say 「有料」 under payment information) ※Examinations are free for tax exempt household and those receiving welfare. ※Household tax is the taxation status for 2023 (calculated based on income in 2022) and reflects households as of January 1, 2023. <u>※Free for 20-26 year olds who receive an HPV vaccination during the Reiwa 6 (2024) fiscal year (April 2024 - January 2025). Please bring a vaccination certificate/proof of vaccination for the 2024 fiscal year with you.</u> • Health Insurance Card Any added examinations or operations will be considered as health insurance (paid) services. • Sanitary napkin (In rare cases, bleeding may occur after the examination) 	
Notes	<ul style="list-style-type: none"> • If you have any symptoms such as bleeding other than your period (menstruation), please visit a medical institution immediately instead of the medical examination. • Issuance/Reissue of examination coupon after consultation cannot be accepted. • Please note that you will be required to pay the cost of the examination if you have been examined more than once within the year. • Those who have never had sexual intercourse are less likely to develop cervical cancer, and may have bleeding and severe pain during the test. • Do not receive the examination during your period. It is recommended to receive the examination one week after your period end and before your next period. • You can't be examined if you have had a hysterectomy (complete removal of the uterus and cervix), but if you had a supracervical hysterectomy and your cervix remains, please consult your doctor to confirm if you can or can't be examined. <p><Group Medical Examination></p> <ul style="list-style-type: none"> • If you are pregnant, you may not be able to receive a medical examination. • If a storm warning is issued, the examination may be postponed or canceled. For latest information, please visit our homepage or contact us. • To ensure the safety of patients and children, we do not allow children to be brought to the examination. You can bring your children to the venue as long as they can wait safely and quietly within the facility. However, Toyohashi will not be held responsible for any injuries or accidents at the facility or in the parking lot.
