GOALBALL

Date Oct 17(Sat) & Oct 19(Mon) – Oct 23(Fri)

Competition Venue Toyohashi Gymnasium

What is Goalball?

A sport designed for athletes with visual impairments, played by two teams of three. All players wear eyeshades to play the game in total darkness. Players take turns rolling a ball with internal bells and relying on the sound to score in the opponent's goal. Defenders block 50 km/h balls with their whole bodies, making this intense sport known as "the combat sport in silence."
